

Prophetic Focus November 2019

Topic: God of Signs and Wonders

Key verse (NKJV): Hebrews 2:4

God also bearing witness both with signs and wonders, with various miracles, and gifts of the Holy Spirit according to His own will

I see a season of the greatness of God in manifestation and a release of His glory upon His people intensifying.

Let us pray and watch out for this winter as I see heaviness in the spiritual atmosphere that will result in worrying, more especially in this season.

I hear that as a church we should not be afraid of persecution because this will bring a new wave of growth into the church.

So let us not be intimidated, but rather let us be prepared for God to reveal all that is hidden in this season.

I hear God saying that the church is not ready for the kind of harvest that is coming into her. Therefore let us focus on preparation.

Watch out and pray for the Seven Mountains Of Society as God will be using them all for the coming transformation.

In this year's Hour Of Encounter prayer conference we are focussing every day on praying for a specific target group of people:

Thursday night: Prayer for business men and women

Friday night: Prayer for politicians and governments
