

Prophetic Focus April 2019

Topic: Kingdom Connection

Key verse (NKJV): 1 Samuel 9.6

And he said to him, "Look now, there is in this city a man of God, and he is an honorable man; all that he says surely comes to pass. So let us go there; perhaps he can show us the way that we should go."

I see a month of deeper connection with the Lord and God of the supernatural.

I see a month where God is moving us to the next level.

This is a season where it is important who we are connected to.

Let us watch and pray against any bad influence this month as the enemy will want to deceive a lot of people and influence them in the wrong way.

Prayer for our economy:

I see financial crashes in the atmosphere. Let us pray especially for the following:

- to invest well in our families and our personal finances
- against bankruptcy for the big companies that have been in the market for a long time

Let us keep our farmers in prayer. More especially Christian farmers, for a successful harvest this year. Also pray for protection and good health.

Good news: I see a season where God will connect us to the right people that will help us to open the door to our destiny and to understanding the supernatural better, which will result in grace and favour.
