

Prophetic Focus February 2019

Topic: Spiritual Emphasis

Key verse (NKJV): Ephesians 4.15

[...] but, speaking the truth in love, may grow up in all things into Him who is the Head - Christ

I see a month of spiritual growth, where we will see a lot of collaboration with the Holy Spirit and with angels.

Let us pray for clear visions and dreams, as they will play a very special and important role in guiding our life this season.

I see a season where God will be opening our eyes to see more in the realm of the spirit and expose hidden agendas of the enemy.

I see a release of healing anointing. So let us be in expectation for supernatural inner and physical healings.

Grace and strength for the next level are being released this month. So don't give up, help is on the way!

Good news:

It's a month of His presence! Be ready to experience and feel it stronger than ever before.

I see restoration of trust where we have been hurt in our relationships, more especially with loved ones.

It's also a season of strong angelic activities where they will uphold us in their hands so that we don't go the wrong way (Ps 91.11).

I see angels distributing inner peace. In stormy situations God is leading and guiding us through.

Watch out:

Let us continue to pray for the next two months: As previously said, I see confusion coming up in the atmosphere, especially in the area of weather and health.

Let us not give up in praying! Let us look onto God with unshakable faith, for He promised to never leave us or forsake us.

Dates to watch out for this month:

04.02.: First Fruit Prayer Encounter: Our monthly Monday morning prayer 06-07 AM

22.-24.02.: Success School of Ministry weekend with Bishop Dominic Allotey
